General information about Espace SAT

# ESPACE SAT

Located on the first floor with direct access to Boulevard Saint-Laurent, Espace SAT is distinguished by its versatility and industrial character.

The hall is equipped with state-of-the-art lighting, video projectors, stage management, a high-performance sound system and a large integrated bar. Its curtain system makes it possible to create different atmospheres or combine different functions, while remaining universally accessible.

Whether for a day, an evening or longer periods, this space can be adapted to your needs. We offer a range of formulas to meet your event requirements.

# FREQUENTLY ASKED QUESTIONS

## **What is Espace SAT availability?**

The space is available year-round for your events. However, as demand for this space is high, we strongly recommend that you let us know about your plans at least 3 months in advance.

## **Is it possible to install a bar?**

The Espace SAT has a built-in bar counter, and additional counters can be added to your layout. Please note that SAT has alcohol licenses and service teams, so it's not possible to have your own meeting permit.

## **Are the building and hall universally accessible?**

Yes.

## **How much does it cost?**

Contact us for a price list. We offer preferential rates for NPOs; certain conditions apply.

## **Is it possible to give access to Espace SAT to minors?**

With the exception of events where minors are designated as the main audience and the event is not open to the public, this room is recognized as an 18+ area.

## **Is there a food service?**

No, but you're welcome to use an external service or one of our partner caterers.
